Register Early for Maximum Savings

First Announcement
On behalf of Cosmetic Dermatology Society (India), it gives us immense pleasure to invite you for the 21st edition of “CosdermIndia 2017” from 21st - 23rd July 2017 in Mumbai, India. The two day Conference and one day workshops will feature a balance between the science and business of aesthetic medicine.

Our faculty consists of experts from all over the country known not only for their skills in aesthetic medicine but also for their ability to discuss various topics in energetic and compelling way. All talks will be substantial in current content yet brief. The program is carefully designed to include guest lectures, symposia, case discussions, debates, video sessions etc. There is a call for abstracts for free papers and award papers.

“CosdermIndia 2016” was conducted successfully from the 25 to 28th of August 2016 at the Lalit International, Mumbai. The workshops gave delegates a chance to have a personal experience with the hands on sessions under the guidance of expert faculty. Workshops included Fillers, Botulinum Toxins, Lasers, Chemical peels, Microneedling.

The annual conference started off with the session on a relatively new and demanding topic of “Mens aesthetic”. Various other interesting and challenging topics like antiaging, hyperpigmentation, acne, laser, dermotosurgery were also covered. Informative talks with great learning on cosmeceuticals and various treatment modalities were discussed. Young dermatologists shared their clinical experiences in the “Award session”. This year we introduced sessions with a twist which added spice to the topics – like the “fancy dress”-where the participants gave us a new angle of looking at topics like Melasma, approach to pigmentation. Debates were held “for and against IV Glutathione”, “Chain Vs Single practice consultation” – which made for interesting discussion and listening.

The response to our Congress was very gratifying and we thank the faculty and the delegates for their participation. A special thanks to all the participating companies which helped to make the conference a resounding success.

We look forward to your participation to make “CosdermIndia 2017” grand success.

TEAM CDSI
